

Dear Friends,

It is with great pleasure that I am writing on behalf of the residents of Ward 17 – Davenport.

As one of the most multicultural neighbourhoods in Ontario, Davenport has been shaped by its residents and their willingness to put forth their hard work, dedication, and good will towards the betterment of others. These remarkable traits are without a doubt, the catalyst to building the social infrastructure of our neighbourhood.

We are truly privileged to have many exceptional individuals who continually volunteer their time and efforts to improve the quality of life for others and make our community a beautiful place to live, work and play. This is clearly seen through our numerous residents' associations, local BIAs, and communal efforts to improve our streetscapes, parks, and City as a whole.

I want to thank the Fairbank Village BIA for their continued efforts in promoting our City's diversity and for being a strong voice in our community. As I look towards the future, I do so with excitement, knowing that by working together, we will continue to make our community safer, greener, and cleaner.

Best wishes for a safe and enjoyable summer!

Sincerely,

Councillor Cesar Palacio
