Hon. Joe Oliver, P.C.

Member of Parliament
Eglinton—Lawrence

Dear residents,

Fairbank Village is one of North Toronto's dynamic neighbourhoods. Distinctive in its landscape of rolling hills and steep climbing streets it features a flourishing business sector composed of local establishments reflecting the rich cultural diversity of the area. I recently attended a meeting with the Fairbank Village Business Improvement Association where we engaged in a discussion about our vision for future development and how I, as the Member of Parliament for Eglinton-Lawrence can help to support this endeavour.

The upcoming summer Street Festival will be a wonderful opportunity to showcase all that Fairbank Village has to offer. People will have a chance to experience the vibrant culture, visit local businesses and spend time appreciating this unique neighbourhood. It promises to be quite an event and I encourage you to come out and support Fairbank Village this summer.

Sincerely,
