FAIRBANK VILLAGE MULTICULTURAL SUMMER FEST

Dear Friends and Neighbours,

Thank you for supporting the 2015 Fairbank Village Multicultural Summer Fest.

On June 20-21, thousands of people will descend on Eglinton Avenue West, between Dufferin and Chamberlain, for an exciting weekend of great food and fun in celebrating the diversity of Fairbank Village.

This annual festival is a hallmark of the community and is complete with a side walk sale with local businesses, tasty treats from neighbourhood restaurants, live music, games and attractions for all ages.

Thank you to the Fairbank Village Business Improvement Area (BIA) and its membership, volunteers and sponsors for their generous support and hard work in organizing this fun, family-friendly festival for area residents and visitors from afar.

I look forward to seeing you there!

Sincerely,

A handwritten signature in black ink that reads "Josh Colle".
