Dear Friends:

Re: Fairbank Village Multicultural Summer Fest 2015

It is with great pleasure that I extend my sincere congratulations as you celebrate the **Multicultural Summer Fest 2015** on June 20th and 21st, 2015.

For many years, the Fairbank Village Multicultural summer festival has been a focal point for the community where the multicultural music, food specialities and shopping opportunities are enjoyed by all.

I look forward to attending this year's Fairbank Village Multicultural Summer Festival to enjoy all it has to offer. I am proud to be known as a friend and supporter of the Fairbank Village B.I.A.

My best wishes for another successful multicultural summer festival.

Sincerely,
